November / December 2015

Greetings again from Chattanooga and from all the missionaries serving in Mexico and Central America. We are thankful for a wonderful Thanksgiving season and we are looking forward to Christmas.

In November Kaye and I had the privilege of returning to Costa Rica. While there we attended “La Iglesia Bautista Betel,” the church we started on November 1, 1987. What a joy it was to see old friends once again and to see new faces at church. Please continue to pray for Pastor Walter Chaves as he leads the church forward.

**Bible Institute Graduation**

Also in November I visited the country of Nicaragua. One purpose of the trip was to attend the graduation ceremony of the Bible Institute in Managua. Dr. Bob Dayton still works closely with the Institute. Six of the ten young men who graduated have already started or going to start a church in Nicaragua. God is doing great things with the national pastors and churches in this Central American country.

**Miguel & Leticia Parada**

The first weekend was spent with Miguel and Leticia Parada who arrived on the field about six months ago. They are looking at planting a new church in the city of León, the second largest city in Nicaragua. God is already opening doors for this couple.

The next weekend was spent with Jeremy & Michelle Blanz. They have teamed up with a national pastor and have started the Bible Baptist Church of San Marcos. The building they have rented to start the work is filled every Sunday and they only started about four months ago. Please pray that they will find a larger building in which to meet. There is also the possibility of starting another church in a nearby city.

**Blanz Family**

*Merry Christmas and Happy New Year!*

Until next time . . .

*Terry & Kaye*
